In Memory of

ARTHUR "SKIP" BEEBE

For years Skip helped guide the Hamburg Fair with his steady leadership, practical wisdom and an unwavering commitment to the traditions that bring our community together. He understood that the fair is much more than three days in August. It is neighbors working beside neighbors, generations sharing what they have grown and made, children discovering the fair for the first time, and a small town coming together to create something larger than any one person.

Skip was often one of the people working quietly behind the scenes to make it all possible. When challenges arose, he stepped forward. When volunteers were needed, he rallied the community. Through his leadership of the Fair Association and his service to Lyme Grange, he helped protect both the history of the Hamburg Fair and its future.

Skip's sudden passing leaves an emptiness that will be felt throughout the fairgrounds this year, yet his presence will also be everywhere: in the traditions he helped preserve, the volunteers he encouraged, the friendships he formed and in the community spirit he embodied.

As we gather for this year's fair, we celebrate Skip's life and the lasting mark he left on a place he loved so deeply.

Thank you, Skip for helping keep the magic of the Hamburg Fair alive.

See you at the Fair!
